

St. Paul's Infant School  
Children's Prospectus

Hello! We wanted to tell you a little bit about our school!

This is the uniform we wear. We look very smart.

In the morning, we wait on the playground for the bell to go.

We have to remember to bring our book bag, P.E. bag and our water bottles.

We all have our own pegs to hang our things on.

When we have put our things away,  
we get to do an activity.

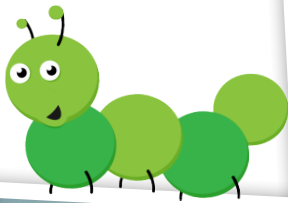

After we take the register, we have a fun filled day of learning. Our favourite time of the day is learning time.

In learning time, we get to choose what we want to learn.

We can choose to go into the outside area.

Or on to the Adventure Trail.

We love to dig for treasure out here  
using the maps we make.

We can also choose to go on to the playground.

We love to use the bikes and practice our gross motor skills.

We can even choose to learn inside.

Our art areas have lots of different materials to use.

Our teachers help us all the time! They teach us so many different things.

Sometimes we like to use the iPads and the SMART boards to help our learning.

We love to read lots of stories.

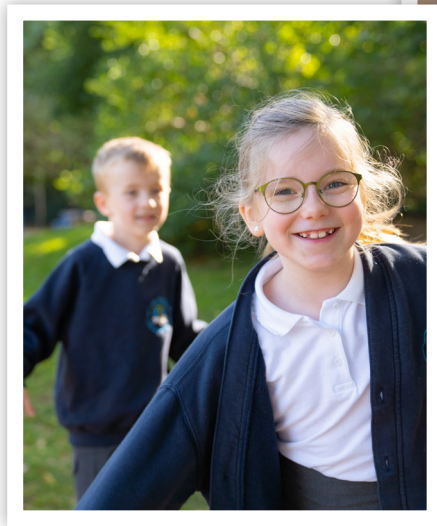

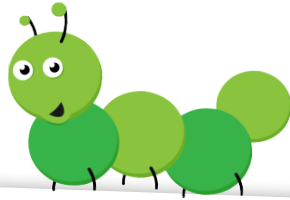

Every classroom has a book corner!

At St. Paul's we like to have fun!  
Which sometimes means we get  
messy...

But that's okay!

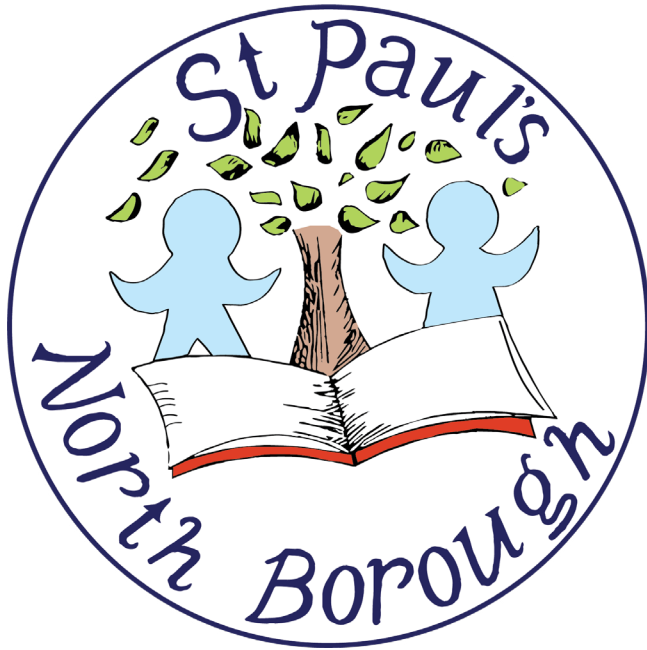

We do lots of exciting things at school.

We hope you can come and join the fun!

We hope you like our school and we hope you see you in September to start your own big adventure!
