

Is your child starting primary school in September 2026?

We would like to welcome prospective families to join us for one of our open mornings to find out more about our school.

Parents and carers will be able to take a tour of the school, meet the teachers and visit the classrooms while having the opportunity to ask any questions and see if St Paul's Infant school would be the right place for your child's education.

If you would like to attend one of our open mornings, please contact the school office to book an appointment on
01622 753322.
