### What can you do at home?

Can you draw a picture of what you did over the Christmas holidays and label it?

Can you and your grown up play some Fred Frog games using your sounds? E.g. I can see a c-a-t. I can see a d-o-g

Can you make a poster about space with your grown up? Can you remember the names of the planets?

Can you count how many objects are in a group and write down the correct number?

Can you find an object at home or while you're out and about that is a cube, a cone, a sphere or a cylinder? Can your grown up take a photo of you and the objects and put it onto Tapestry?
