They will be met at the door by their class teacher or teaching assistant.
Who	1 adult should bring each child			This will help with social distancing both in school and on the pavement outside.	
Children's Equipment	Book Bag	This should not be brought to school.			This will avoid having to wipe items brought from home into the bubble.
	Contact Book	This will not be in use we will provide instructions for how to communicate			

		with the class teacher directly using class dojo.	
	Reading Book	Your child will bring home a plastic wallet of books on a Monday you should read through these books during the week and return the books and wallet on a Friday.	This will lessen the risk of contamination from home to school or school to home. New books in a wallet will be sent out each Monday.
	Spellings	This will be shared electronically on a weekly basis	Children will have a spelling book for their test in school, the results will be communicated electronically.
	Online Learning	In the event of school being closed, your child's class being closed or your child not being able to attend while waiting for a test result work will be provided on line.	Communication will be made with you by school as to where the work will be available and the expectations on you to complete it and return it to school. This work will reflect what your child will be missing in the classroom.
	Water Bottle	This should be brought on the first day and is very important to ensure your child has their own identified bottle to use all day.	These will be kept in school after the first day and washed refilled by the bubble grownup and placed back in the child's desk area for them to have daily.
Lunch arrangements	Free School Dinner	These will be served in the hall with staggered times for your child.	Classes will be in the hall with other members of their year group at a distance and for short periods of time. Between each sitting the tables and chairs will

			be cleaned down with antibacterial spray.
	Packed Lunches	Parents can provide their own lunches must adhere to school policy on no NUTS.	If own lunches are being brought from home they will need to be in container that can be wiped on arrival to school and <b>must not be</b> in a cloth lunchbox.
Communication	Via Email or Telephone Class DOJO	No parents on site during the school day apart from drop off and pick up.	Parents will not be spoken to at the school office they must continue to use email, telephone or Facebook messenger. The pedestrian gate will be kept locked.
Correct contact information	Up to date telephone and email address.	Parents must ensure that they inform school of any change of contact details.	Parents must ensure they answer the phone call immediately and respond to schools request quickly.
Collection in case of illness	Immediate answering and collection	Children will be moved to a safe area away from others and asked to wear a mask if they are showing symptoms of COVID 19.	Parents will collect from the back of the sunshine room door from the end of the path. Communication about the illness symptoms as much as possible will have been communicated by the telephone call already had. If initial contact is not made with the first emergency contact listed school will call others on the list to ensure the child is not

			on site any longer than necessary.
COVID Symptoms	Any high temperate or cough or rash in children	<p>Parents should not contact their doctor. They should register with 111 on line systems and books a drive through test. These are usually done within hours and results received within 24 hours.</p> <p>If a parent does not drive they should register for a home test kit and complete this as soon as it arrives this should be within 24 hours. Results for these tests once returned are within 72 hours.</p>	<p>Children will not be able to return to school until they have been tested and results received. It is vital that parents communicate with school about these results as quickly as possible so that school can adhere to government guidelines. If the child has no symptoms then they must adhere to isolating at home advice for 14 days as must the other family members.</p>
Clothing	Children will need to wear school uniform	Clothing needs to be regularly laundered as normal.	<p>To ensure staff are not needed to come into physical contact with your children please practice with them putting on and taking off different clothing items. Shoes without laces so that they can do them themselves. Practise zipping coats and putting sleeves into the right way. These are all good independent skills for the children to have.</p>
Travel abroad		If you travel abroad you must inform the school office as soon as	To ensure that we are aware of where children have been and if

		travel bookings are made. School needs to know where you are travelling and the dates of your visit.	there is a travel corridor in place. Advice would be given if travelling to a country without a travel corridor.
