

## Is your child starting school in September 2021?

From Friday 6<sup>th</sup> November, St Paul's Infant School will have information virtually on it's website for prospective families to find out more about our school.

Parents & Carers will be able to take a virtual tour of the school, meet teachers, visit classes and see why St Paul's would be the right choice for your child's early year's education.

We will also be holding some virtual question & answer sessions. If you would like to book an appointment for this please call the school office on

01622 753322.
